TERM TWO ONLINE CLASSES

A huge THANK YOU!! To all of our dance family and to those students who joined us the last few weeks of our online classes it has been wonderful to see the dedication from our dancers to keep moving, learning and growing through these times.

As we are still closed and unable to open the studio for physical classes L. E. A classes will be moving online for term two. We do not know at this time when we will be able to reopen the studio for physical classes again but we are keeping an eye on all the government announcements and will let you know as soon as we know when things change.

I really hope that your dancer can join us for classes online this term, I understand that it is not the same as coming in to the studio for class but it is just as beneficial for your dancer and will teach them dedication & responsibility to show up for their online class just as they would do in the studio. It will also challenge their minds in to a new way of learning, further education is majority online so this is a great start to get them used to this.

I understand that concentration can be hard for the younger students for online classes but its so important for them to keep active and dancing through these times.

Our staff have worked super hard to get these classes online for our dancers and in most ways teaching online is very different & alot harder for the teacher. They are still creating amazing and challenging class content to keep our dancers improving through all of this.

ONLINE CLASSES

TERM TWO

HOW IT WILL WORK

Online classes for Term Two will be paid monthly (4weekly) and you will be granted access to the online classes and content once you have paid and subscribed online.

Online classes will be at a cheaper rate than physical classes at just \$8.00 per class.

You will need to subscribe yourself for our online classes via our L. E. Academy website, we are unable to do this for you via email or online as the new system we are having installed will not allow this. Our website is; www.LEAcademy.com.au

We will notify you once the website is up and running as it is still going through renovations to get everything up and running, we are hoping to have all of this prepared for you by this weekend.

Once you have subscribed your dancer online you will be given a password protected online account which is accessed through our website.

In your dancers account there will be all the classes they have paid for .

They will only be able to access classes that the individual dancer has subscribed and paid for.

Each class will have a zoom link for a live class each week and also pre-recorded content in that style.

Pre-recorded content is accessible any time the dancer logs in to their account so for example- if your dancers jazz class is live on zoom on Mondays but they want to dance on Wednesday too they can go in to their account and watch the pre-recorded content.

Once the website is all finished i will create a tutorial step by step to show you how to work everything and post this on our parents forum.

ONLINE CLASSES

TERM TWO

ONLINE RULES & SAFETY

At L. E. Academy we take the safety and well being of our students very seriously and know that for some the online world is a bit daunting and worrying however we are taking every step possible to create a safe online environment for our dancers to keep them doing what they love.

ONLINE CLASS WAIVER:

By clicking on any of the Zoom Meeting links you are acknowledging and agreeing that:

1) Your child has gained your permission to be online.

2) You will ensure that your child is wearing appropriate clothing that is suitable for dance and in no way revealing.

3) That, where possible, you will ensure webcams are located in a communal space like a living room - rather than a bedroom. If only a private space like a bedroom is available you will commit to keeping the door open and/or you or another adult will stay present for the class.

4) The sharing of this invitation and password is strictly forbidden.

5) Your child participates in these online dance classes at their own risk. You understand that dance is likened to sport and, although rare, injury may occur. L. E. Academy dance & theatre arts will not be held responsible for any injury that may occur to your child during dance class.

6) These zoom meetings are being closely monitored by Miss Lauren and have strict safety platforms built in. Each class will be recorded and archived for child safety purposes.

ESSENTIAL INFORMATION FOR STUDENTS

(Parents please ensure your child fully understands these requirements)

- Though your teacher may be able to see you, it is not the same as a live, in studio class. You will have to take more responsibility than usual for the safety of your space and of your movements.
 - Please make sure you have at least two metres clear space around you, that the floor is clear of any objects or spills, and the surface is appropriate to dance on. Where possible, ensure webcams are located in a communal space like a living room - rather than a bedroom. If only a private space like a bedroom is available you must keep the door open and/or have a parent present for the duration of class.
 - Try to set up your screen so that it is at, or close to, eye height, and near enough to see the teacher clearly. Ensure you have the volume set high so that you can hear the instructions. If possible be lit from in front rather than behind, e.g. close curtains if dancing in front of a window. Make sure your device isn't in danger of being knocked.
 - Your sound will be off when you join. You will be able to hear your teachers but they will not be able to hear you. Your teachers will decide when to bring your sound on if necessary. If you have a question please raise your hand until you are noticed on the screen or come super close to the camera..
 - Wear appropriate clothing. Uniform is not essential, just some leggings and a t-shirt are fine. Absolutely no baggy nor revealing clothes please. Hair must be tied back.
 - Have a full bottle of water bottle close by.
 - If an exercise or action causes sharp or sudden pain, stop immediately, apply first aid or seek help from your parents. Advise your teacher as soon as possible. Because of the online format your actions are unsupervised by your teacher so please make your own judgements, as you know your own body better than anyone.
 - Have any pets or young siblings in another space to avoid sudden tripping hazards.
- Please note that the material in this video is copyright and has not been approved for sharing, or for third party recordings. Sharing of the classes and zoom links and passwords are strictly forbidden. The only instance in which you can share choreography is if your teacher has allowed you to film and post on your social media channels.
