HELLO DANCE FAM!

WOW WHAT A TERM!

Thank you all for joining us back in the studio this term we really appreciate your support of our small business and dance family! We missed you all so much through COVID and we are so happy to of been able to complete a full term of in studio classes with you all!

We definitely wont take in studio classes for granted ever again!

Term 4 resumes on
6TH OCTOBER 2020
BUT

we will still finish our term 4 on Friday the 11th of December as normal as the schools are closed for pupil free days, these are not public holidays so we can still run classes.

2020 concert

A little update on our concert-

This will still be going ahead as we strongly believe working towards a performance and getting on stage at the end of the year, especially this year, it is something that the children need to grow and develop in their dancing and performance skills, build their confidence, show their families and friends what they have been working on all year and how they have developed but also they look forward to them and enjoy doing the concerts so much.

We are still unsure on our venue and if this is to change dates as of yet.

Due to COVID restrictions our original venue at nerang bicentennial hall will not allow us to utilise the dressing rooms which makes it completely impossible for us to do our concert there.

I have been busily viewing other venues and trying to secure dates and am in the final stages of getting everything locked in for this.

Once i have everything organised i will release to you all the information of dates (If they have to change due to new venue availability), times, venue, rehearsals, costumes etc..

Please bare with me on this i am working as fast as i can to bring everything together and get this information for you as i know you ill all wish to plan your term and other events around the concert and rehearsals in advance.

My sincere apologise in advance for any changes that we may have to put in place and if these cause any issues for you.

Please see Sheree at reception for your uniform.

Remember all students will need a L.E.A t-shirt/ crop/jacket for the finale of the concert.

Presentation-

Our Christmas party & presentation we do at the end of each year will unfortunately cancelled this year due to the restrictions and it all just being so hard to organise around.

We still plan on doing awards but we will have these at the end of one of our concert performances. We will advise in advance which performance we will do these once we have more concert information for you all.

Concert photoshoot day-

This day will also be rescheduled from the 10th of October, again once i have a confirmed date i will release the information to you all.

Multi-class discounts will also be returning in term 4.

We cant wait to ramp up concert work in term 4 and see all of our superstars do what they do best and shine on stage!

I will endeavour to get more information out to you all asap!

Thank you for an awesome term! Have a wonderful 2 weeks holidays and we will see you all soon for term 4!!!
